## SO NEAR YET SO FAR

Long faces were the order of the day a few weeks ago on the 2nd floor. One of our young members, Terry Pfafflin took out 2nd prize in the lottery to the tune of \$12,000 but as always someone has to be one off on either side. This took the form of our popular buffet hostess, Yvonne and 3 others on the 2nd, hence the sad looks. Still with 50 tickets as a consolation prize, let's hope lady luck goes one better next time.

## VALE ERIC H. MANCY

Eric Mancy died in Sydney on Friday, February 2, aged 59 and members of Tattersall's Club will share the sadness at the loss of a valued member whose interests in anything to do with the country of Australia, from the Dandenongs to Broome, made him one of Australia's greats.

Pride was also mixed with sadness as we read in the Australia-wide Country Life newspaper a four-column spread headed "A GREAT MAN IN HIS OWN RIGHT".

He was immediate past president of the Rural Youth Organisation of N.S.W.

Eric had been ill in hospital for about five weeks, and he was unable to attend the recent State Council meeting of the Rural Youth Organisation of N.S.W. at which it was moved that he be presented with an honorary life membership of the organisation.

This was in recognition of the work that he had done during his association with the Rural Youth Movement in N.S.W., not only in his two years as president, but in the years before that.

Eric first joined Ampol in 1940, and was appointed to the Country Marketing Division in the Tamworth area, continuing this work through all States of Australia.

Following this he was appointed head of the North Queensland branch office of Ampol at Townsville, the first branch in the north of that State.

Then in 1959 he was appointed Country Manager of Australia for Ampol.

Eric was also closely associated with the Sydney Sheep Show and with the Country Women's Association.

In a recent article in Country Life the Editor said that Eric Mancy deserved a place in the history of Rural Youth and that there was only one word that described him and that was dynamic.

The Committee and members extend our sympathy to his wife and two daughters, Margaret and Roslyn.

## WELCOME HOME

Jack Fitz recently returned home after an absence of 10 months and seems to have had a marvellous trip. Whilst in England he saw George Moore ride a few winners including the classics, took in the 3rd Rugby League Test, also saw the All Blacks notch a win in Union and for good measure saw a real soccer match between Manchester United and Tottenham Spurs. Over to the Continent to Paris and then a month in Spain to round it off before taking off for Montreal, where unfortunately Expo had closed. Jack remarked that when news of our sweltering reached him he was in Banff with a temperature of 14 below. Visited our reciprocal Terminal City Club in Vancouver, then down to San Francisco and back home through Honolulu and Fiji. A wonderful trip, but as Jack says, there is no place like home.

## OVERSEAS

Jim Baker of Roberts & Baker Pty. Ltd. is presently overseas looking for the latest in fabrics and styles for their tie manufacturing business.

At the time we go to press Jim has already met with his sister in San Francisco, then to Los Angeles, New York and London. Before returning home he will visit Paris, Germany, Rome, Hong Kong, Bangkok and Singapore.

David Williams left on his overseas trip on the 14th February, and first stop-off was Rome, then to Paris, London, New York, Los Angeles, Honolulu, Tokyo and Hong Kong. Whilst visiting New York and Honolulu, David is going to visit our affiliated clubs.

## A NICE DOUBLE

That inseparable twosome in the form of Fred Allsop and Reggie Harris kept up the good work of doing things together at Randwick during the month. Reg won (although only by a clipped finger nail) with Walwood, whereas in the last race Fred was able to prove the master of the boom colt Jupiter, for his second win in a row with Royal Marine. Good luck to two good clubmen.

## MODERN ACCOMMODATION

Accommodation in the city can not be bettered than at your own Club. These luxurious rooms, with or without private facilities, are available at a reasonable charge. The Club is centrally situated, and where else could you obtain morning tea and paper, breakfast and an early morning swim at no extra cost.

Reduced rates apply for continuous occupancy of two weeks and over. Members are reminded that bona fide visitors from interstate or the country are welcome to stay at the Club.

Contact the office and you can be assured your visitor will be well looked after.

## OVERSEAS VISIT

Mr. Tom L. Crow, International Marketing Manager, Precision Golf Forging Pty. Ltd., left Sydney on February 15 on a 2-months' business trip to the USA and Canada.

While in the USA, Mr. Crow will finalise PGF marketing plans and warehousing on the West Coast. He was guest of honor at a dinner on February 20, given by the Greater San Francisco Chamber of Commerce.

After visiting US cities, he will travel to Montreal, Toronto and Vancouver to investigate the marketing of Australian-made PGF golf clubs in Canada.

Mr. Crow said there was widespread acceptance of PGF golf clubs in the USA following his visit last year and inquiries for clubs were being received from Canada.

## NZ VISITORS.

Mr. and Mrs. Claude Brelaz and their family recently entertained New Zealand friends, Dr. and Mrs. Ian Wilson, from Wellington, in the dining room, and we are pleased to say that the visitors were very impressed with the Club.

## BEST WISHES

Many members will remember the late Bill Scott, who died within the last few years. Bill, of course, was a well known and popular member from Cronulla way.

We have just noticed that his daughter, Sonny Scott, who was a former champion equestrian at the Royal Easter

Show, has opened a thoroughbred raising paddock at Pittown, near Windsor.

Members may take this opportunity of wishing her every success in her new venture.

Any members who should like to avail themselves of the excellent conditions of these raising paddocks, could contact Miss Scott at Windsor 3026.

## KEEPING IT IN THE CLUB

Club member Frank Friday, who has been Australasian manager of John De-war and Sons Ltd. for 20 years, goes into well-earned retirement on April 30 and will be succeeded in the position by Jim Henderson, another Tattersall's member.

Frank has been invited by the company to have a furlough in the U.K. with his wife, Connie, after which they will return to Australia to continue enjoying life here. A keen sportsman all his life, Frank now breeds a few thoroughbreds and has a half-share in the imported stallion Royal Stretch, now standing at Widen Stud.

Jim Henderson, who has been the company's manager for N.S.W. for 19 years, is also a keen racing man and is a member of the A.J.C. and S.T.C.

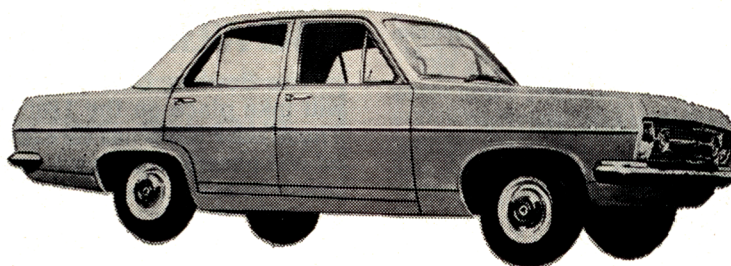

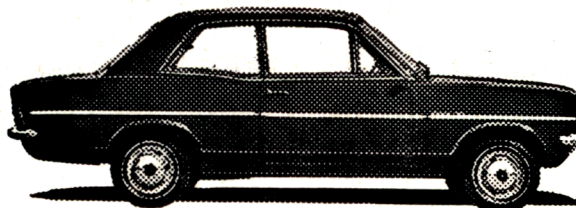

In his youth in England Jim was an outstanding amateur soccer player and continued to play cricket for ten years after coming to Australia. His active sport now consists of golf at Royal Sydney, tennis and surfing.

### RACING AT NEWCASTLE

Committee member, John McKell, represented Tattersall's Club at Newcastle Tattersall's Club race meeting held in February.

John, accompanied by his wife, enjoyed the keen racing marked by close finishes in several races including the feature race, Tattersall's Club Handicap, which was won by Mayton, owned by Newcastle Jockey Club's chairman, Bill Clark.

After the day's racing John and Mrs. McKell were entertained at the Club by president Eric Smith and Mrs. Smith, and a very enjoyable night was had by all.

### CONGRATULATIONS JOHN

John Fox was more than elated when he received news from London of his daughter's engagement to Peter Readson of the former British High Commissioner to New Zealand, J. L. Reading of Dorset, England.

# FAMILY COUNTRY CLUB PLANNED FOR TATTERSALL'S MEMBERS

An exciting proposal for Tattersall's Club members to form a country club at Sackville, in a manner similar to the formation of the Matterhorn Ski Lodge, has been made by Tattersall's Club Golf Club members.

The 187-acre site for the proposed club, edged along its Hawkesbury River frontage by willow trees, is pictured on this page.

Allan Black and others in the Tattersall's Club Golf Club discovered that the Lynwood Park estate at Sackville was to be sold and drove the 40 miles from Sydney to inspect the area.

They found an ideal site for a country club, with a main homestead only erected in 1962 ready for accommodation extensions when they were required.

Already there are broad sweeping lawns, a winch-equipped boat ramp, a jetty, a modern swimming pool attached to the homestead, a picnic area for barbecues and, of course, ample water-skiing facilities.

With a glint in their eyes, the golfers predicted an easily-constructed, top-quality, nine-hole course which could be expanded to 18 holes. This, together with the following amenities, would permit members to participate in their favourite pastime, whilst keeping the family group together.

Golf, Bowls, Boating, Water Skiing, Swimming, Tennis, Riding, Billiards, Card Parties are available.

The idyllic surrounds of Lynwood Park provide immediate facilities for family or company-owned caravans and the homestead could be used for meals, toilets, showers and entertainment.

## MEETING ON CLUB PROPOSAL

Members are invited to attend the Sportsman's Room in the Club at 6.15 p.m. on Monday, March 25, to discuss the proposal to acquire Lynwood, Sackville for a country club.

The Lynwood Country Club proposition is planned to cater for a wide range of year-round recreational activities with strong stress on family group participation for all interested club members.

Allan Black, who went to inspect Lynwood Park as a sceptic and returned an enthusiast, says: "The project of a country club at Sackville is exciting and the potential for such a club at Lynwood is boundless."

Allan sees Lynwood's biggest attraction as its availability for daily or week-end visits or longer family holidays at a far more reasonable cost than motels, hotels or guest houses.

And Sackville is within commuting distance of Sydney, barely 40 miles distance from the G.P.O.

The ultimate intention is to make the whole of the proposed country club area exclusive to members, but there is immediate available revenue from the outside public who are already requesting leases from the present owner for water-ski clubs on the Hawkesbury River frontage of 3,600 feet.

Lynwood Park homestead with its extensive lounges and terraces overlooking the river provides views of the entire property and would be the centre of the site development.

Changing rooms, septic toilets, showers and games rooms are on the lower level of the two storey homestead.

Lynwood also boasts complete fencing, a second cottage, more than three acres of tree-studded lawn within the fenced house paddock, machinery and shedding, pumping equipment, power supply and a pressurised filtered water system.

All in all, the proposal will establish means by which members' family recreation can be centralised in easily-accessible surroundings.

# THE MIGHTY MOLLISON

Fame was well-earned when the Victorian Racing Club named a race at Flemington in February the Mollison Stakes. Mollison won every one of the seven races he started in as a two-year-old in Melbourne and Sydney, and as a four year old he once downed Phar Lap in a weight-for-age race at Randwick.

Mollison had a colourful career and was one of the speediest gallopers of his time, but he failed to fulfil stable hopes that he would stay well enough to become a Derby hope. However, he had plenty of other attributes, and that's why his record earned him the claim to fame which put his name on the race-book 40 years after his turf career had waxed and waned.

Mollison is perhaps the only Australian champion bought as a foal. He was by Seremond from Molly's Robe, a crack speedster who won Brisbane Classics and, taken to Melbourne, landed the Oakleigh Plate at Caulfield as a three-year-old in 1920. A Brisbane Pressman, Ikey Austin, persuaded Victorian wool magnate, E. M. Pearce, to come up and see their son long before he was a year old. He was bought on sight for 2000gns and after being broken in was taken to Melbourne to be trained by Fred Foulsham, a prominent Caulfield mentor.

Mollison won all the classic two-year-olds including the Maribyrnong Plate with a 10lb penalty and the Sires' Produce Stakes with 14lb extra. Such penalties have been long abolished. At three years his 10lb penalty for the Futurity increased his weight to 9.3, but he won.

As an early four year old he was sent out favourite for the 1928 Tattersall's Club's Chelmsford Stakes weight-for-age with 9.4. He had it well won a furlong from home, but along came a lanky chestnut three-year-old carrying 7.6. He was ridden by an inexperienced youth named J. Brown who could get little out of him but the youngster, of his own volition, battled on to within a half length of Mollison as they reached the winning post. I was sitting next to Mr. Pearce on the top deck of the public stand to see the race and turned to congratulate him. He said, simply, "But I was lucky and I'll never beat HIM again."

It was Phar Lap, who went on to success in the Rosehill Guineas and the two Derbies and a little later a sequence of 15 triumphs.

In days when prizemoney was infinitesimal compared with today Mollison aggregated for his 12½ wins \$61,658 in stakes and his \$34,686 as a two-year-old remained as an Australian record

for more than 30 years until Tulloch caught and passed his total.

Ikey Austin, who recommended Mollison's purchase as a foal, later settled in Melbourne as the manager for Mr. E. M. Pearce's racing string while Fred Foulsham remained as trainer. Ikey Austin was a colourful character and a likeable companion. He was Racing Editor of the Brisbane Courier Mail, later a publican and Mayor of a suburban Council and was probably the only known case of a city mayor to become boss of a racing team.

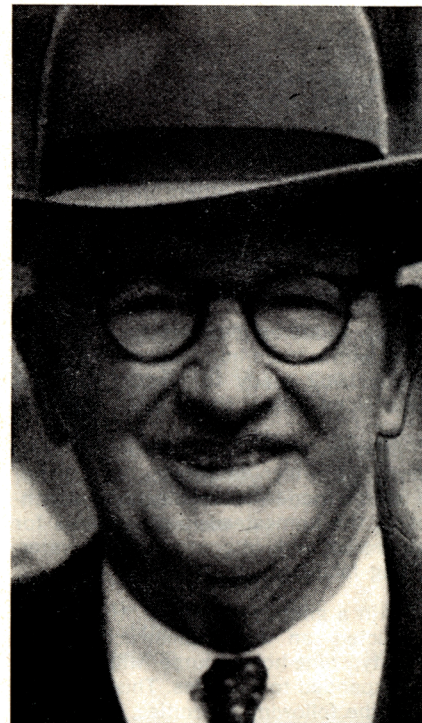

But Tattersall's Club has a later case of a member who held mayoral office whilst training a team of racehorses at Randwick. This is the venerable Neil McKenna, who has been a Club member for 46 years.

Neil was an alderman of Waterloo Council for six years and twice during that period wore the mayoral robe. Mr. McKenna had a wonderful record on the Turf. At Byrick 82 years ago, he rode three winners, a second and a third from his first five mounts as a jockey. Before he handed in his trainer's licence to the A.J.C. about eight years ago he had 1000 winners as rider and trainer. This resignation from such an active and honorable association with the Turf was received with regret by the Committee of the A.J.C.

Neil tells with a chuckle that he never lodged a protest in a race—and he shot in many in his time—without getting the Steward's verdict.

This was largely perhaps because he had a deep knowledge of the rules, better than any of the Stewards of the day, and was the best "bush lawyer" the Turf ever knew.

These factors enabled him to gain an incredible success in two cases when, after finishing only third, he put in protests which ultimately gained him the winning prize!!

Neil McKenna, retired jockey and horse-trainer, has been a member of Tattersall's Club for nearly half a century. He still takes a keen interest in Club affairs and has a son Alf who carries on an extensive Randwick stable.

## Keen Competition for 'Good Idea' Trophy

The field has narrowed down to 15 and the remaining competitors are showing very keen interest. The draw is:

### THE DRAW IS:

Norman Rogers v. Bill Yewdall  
Bruce Partridge v. Ralph Davies  
Bruce Chiene v. Peter Barnes  
Bruce Galea v. Bill Sellen  
Robert Fisher v. John Brice  
Ken Glass v. Robert Lipman  
Malcolm Fuller v. Michael O'Dea

Stan Heaton, a Bye, to meet winner of Robert Fisher v. John Brice Match

Already several matches have been finalised.

John Bruce defeated Robert Fisher by 41-37 only to go down to Stan Heaton 41-35. Norman Rogers defeated Bill Yewdall 41-37, Ralph Davies received a "walk over" from Bruce Partridge, and then Malcolm Fuller struggled home from Michael O'Dea by 42-40, which all adds up to some exciting handball for this particular event. I wager that our sponsor, Arthur Browning, is "tickled pink" with the results up to date.

The match between Malcolm Fuller and Michael O'Dea was a "beauty". It is always good when the scores reach 40 all and the winner has to lead by a clear 2 points to win. Throughout this match it was handball "de luxe" and Malcolm was in superb condition to just edge Michael out of the winner's circle. So it was hard luck Michael and congratulations Malcolm.

John Bruce had a grand match with Robert Fisher. The scores indicate how close it was: 41-37 and it was in doubt right up to the final rally. After emerging as the winner from this match John had to back up against Stan Heaton a couple of days later, and I am sad to relate that his efforts against Robert Fisher must have taken toll of his physical reserves because Stan won 41-35, after a very solid display. Hard luck John, you did extremely well to reach the final eight. I might mention that Stan Heaton could quite easily go on and win this event.

You can always rely on something spectacular in the way of speed and power hitting when "Big" Norm Rogers goes into action. All that he knows is how soon can you "Bust the Ball." Bill Yewdall put up an amazing performance to run out the loser by only 4 points. You were very unlucky Bill because Norman was in devastating form and could have beaten our champ Bruce Galea on the day.

Ralph Davies enters the final eight with a walk over from Bruce Partridge. Unfortunately Bruce is very busy, and rather than hold up the competition he decided to forfeit, which I think is very sporting of this fine gentleman who would probably have been a finalist at least.

More games are being played each day and this event should be finished within the next 2 or 3 weeks.

To keep interest going our Secretary has called for nominations for the Club Championships in all grades. A, B and C.

These championships will be played under the usual conditions. All matches up to the finals will be of one set only 31 up, and the finals will be the best of three sets of 21 up each set. Already there are about 40 entries covering the three grades which is very good and augurs well for a great championship.

### ABOUT OUR THIRD FLOOR AND ITS NEW FACILITIES

Over the past 6 months your Club Committee have brought about many improvements to the third floor and they are planning many more. This has brought about an upsurge in the popularity of this floor in Tattersall's Club. Dressing room and locker spaces have improved tremendously. The Gymnasium is equipped with many facilities for keeping fit and has been under the watchful eye of John McKell, one of our younger committeemen, and a man who likes keeping fit. Aided and abetted by Arthur McCamley and Les Tidmarsh things are on the up in our athletic department. In fact, all members of the committee are showing great interest in the 3rd floor.

This has created not only great interest amongst our younger members but our "young older" members are also enjoying themselves on the "Third".

The swimming club is having record entries. The handball is getting record entries and the result is that all members, young and old, are learning that the 3rd floor at Tattersall's Club is a place where you can enjoy yourself and keep fit all through the year. So, come along and find out for yourself, and keep fit. So long.

# Rodger Clark wins Point Score

**New member Rodger Clark realised an ambition when he took out the last Swimming Club point score after qualifying for all four finals of the series, winning two and being second in one.**

Rodger is improving his starting, and as we predicted some time back he has had his handicap reduced because his times are better now that he leaves the starting board faster.

Next to him in the point score was Peter Wakefield whose form since his return to racing has been first rate and who can be written down as a regular breaker of 20 seconds for the 40 yards.

In the current monthly series Col Bowes has shown up splendidly to win both events held so far and with the possible sixteen points he leads Bill Rowe and Les Toley, 15, B. Cox, 14, and B. Mortensen, 13.

The "Native Son" 1967/1968 point score is developing into a good contest with Dan O'Connor and Frank Falson in the lead with 89 points each. Bill Rowe has improved his position and is now only six points behind the leaders. Pity is that he's had his handicap reduced.

It was great to see Cuth Godhard come back into action during the month. Cuth is one of our oldest members and rarely missed an event for many years. So eager was he to get going on his return that he fell in twice before starter, Sam Block, said "go".

In his next race, a solo event, he showed that he had got back into the groove, and won his heat in nearly two seconds better than his handicap. A second placing in the final made his return to action a worthy one and everybody was pleased to see him again.

Welcome to new members Tom Middleton and N. McLeay both of whom swam well in their first efforts. Tom is honorary treasurer of the N.S.W. Swimming Association and has done a marvellous job in that capacity. He is now in his second year as N.S.W. representative on the Amateur Swimming Union of Australia. Glad to see you both with us!

John Brice is racing again after a fairly lengthy lay-off. He has not had a victory yet but we understand that our worthy handicappers have given him another second handicap.

Once upon a time you could almost bet on David Dind being well up in the placings, but he hasn't been showing up at all lately. Even an extra second didn't seem to do any good and in their

wisdom, the handicappers have given him another.

Sam Block is leaving us in April, for a trip abroad of about 5 months and he'll certainly be missed. His cheery welcome to new and old members is something we all appreciate so we're all wishing him and his wife, Nell, a first class happy world tour. But we're wondering who'll get the abuse all co-handicappers get when Sam hands over the reins of office temporarily.

Norm Rogers said that he was not going to Melbourne to see son Greg swim in the Australian Championships, but when all three sons went down to compete Mrs. Norm just said in effect "We're going" and that was that. Couldn't miss a chance like that of seeing the boys in action.

At time of writing, son Greg, had swum a wonderful third in very fast time to Brough and White in the Australian 400 metres championship. Greg's finishing effort was a delight to behold.

There must be some keen training going on among members, for during last month no less than twelve had their handicaps cut through improved swims. Those who earned the handicappers' action were Rodger Clark, Roger Lind, Basil Phillips, Nat. Tyler, Ken Humphery, Allan Ball, Les Foley, Cuth Godhard,

Col Bowes, Bill Rowe, Bryan Mortensen and Bill Richards.

To Bryan Mortensen went the honor of fastest winning two laps of the month with a crackerjack 19.5 secs. effort. Not far astern was Peter Wakefield with 19.8, Norm Rogers 20.2, Ken Humphery 20.6, Allan Ball 21, Bob Hill and B. Cox 21.1 and Bill Richards 21.2.

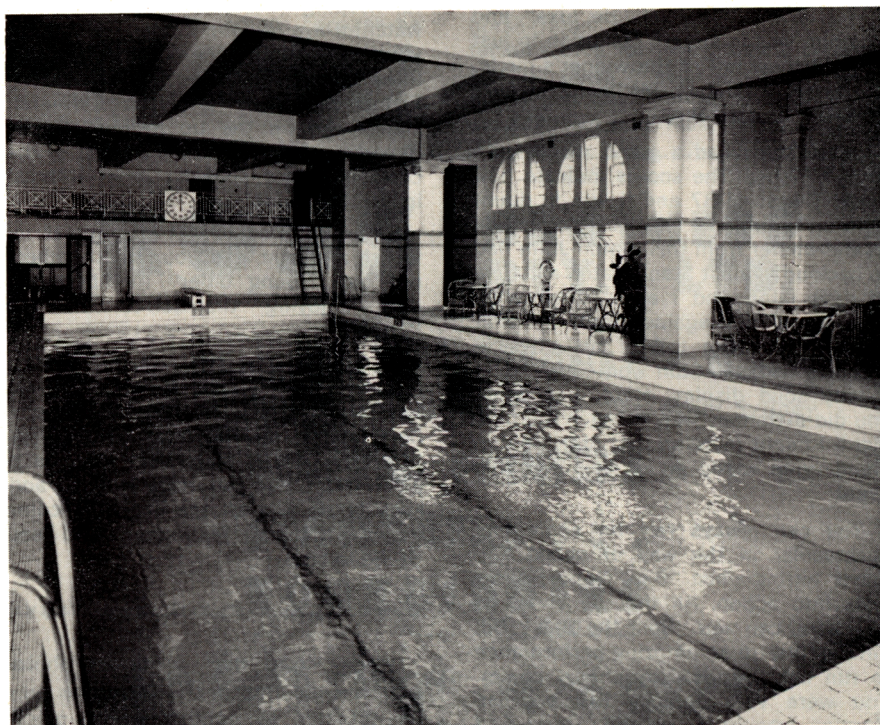

Average fields for the last four races was fifty-one, so there is no drop in interest in the contests.

THE STEEL'S THE THING. That's where  
Gerber Legendary Blades start — with the  
steel. It's much more costly than cutlery steel  
and far more expensive to fabricate. It is ex-  
tremely hard, takes and holds a keen unfeath-  
ered edge that cuts meat with a touch, yet thin  
and springy for deft carving and protection  
from breakage — qualities that cannot be com-  
bined in stainless steel. By adding grace and  
beauty and permanent brightness Gerber Blades  
have repeatedly won recognition from the  
Museum of Modern Art.
